**STATE OF MAINE
HOUSE OF REPRESENTATIVES
126TH LEGISLATURE
SECOND REGULAR SESSION**

COMMITTEE AMENDMENT “ ” to H.P. 1195, L.D. 1623, Bill, “An Act To Further Protect Patient Access to Safe Medical Marijuana by Allowing Dispensaries To Purchase Excess Marijuana from Other Dispensaries”

Amend the bill by striking out everything after the title and before the summary and inserting the following:

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the First Regular Session of the 126th Legislature enacted a law to permit a registered primary caregiver to sell up to a total of 2 pounds of excess prepared marijuana annually to registered dispensaries; and

Whereas, the purchase by a dispensary of up to 2 pounds of excess prepared marijuana per primary caregiver could not realistically meet the demands of patients at a dispensary if that dispensary suffered a crop failure or other unforeseen disaster; and

Whereas, immediate enactment of this Act is necessary to ensure continued access to safe marijuana for medical use for the thousands of Maine patients who currently hold written certificates from their physicians and who purchase their prepared marijuana from dispensaries; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:
