 24 number to read consecutively.

25 **SUMMARY**

26 Current law requires the Department of Health and Human Services to provide for the
 27 delivery of federally approved Medicaid services to a qualified woman during her
 28 pregnancy and up to 60 days following delivery when a woman's family income is equal to
 29 or below 200% of the nonfarm income official poverty line. This amendment, which is the
 30 majority report of the committee, extends this coverage to up to 12 months following
 31 delivery for the period from January 1, 2022 until December 31, 2026.

32 Current law also requires the Department of Health and Human Services to provide for
 33 the delivery of federally approved Medicaid services to a person who is a noncitizen legally
 34 admitted to the United States to the extent that coverage is allowable by federal law if the
 35 person is a woman during her pregnancy and up to 60 days following delivery or a child
 36 under 21 years of age. This amendment extends this coverage to a woman to up to 12
 37 months following delivery.

38 Finally, this amendment requires the Department of Health and Human Services to
 39 report annually to the joint standing committee of the Legislature having jurisdiction over
 40 health and human services matters, beginning February 1, 2023 and until February 1, 2026,

1 about the extension of postpartum coverage to 12 months and authorizes the committee to
2 report out legislation related to each report.

3 The amendment also adds an appropriations and allocations section.
