22 to 35 and page 44, lines 1 to 18 in L.D.) and inserting the following:

23 **'§2201. Agreements to locate property**

24 1. Agreements within 24 months. An agreement by an owner the primary purpose
25 of which is to locate, deliver, recover or assist in the recovery of property that is
26 presumed abandoned is void and unenforceable if it was entered into during the period
27 commencing on the date the property was presumed abandoned and extending to a time
28 that is 24 months after the date the property is paid or delivered to the administrator. This
29 subsection does not apply to an owner's agreement with an attorney to file a claim as to
30 identified property or contest the administrator's denial of a claim.

31 2. Agreement requirements. An agreement by an owner the primary purpose of
32 which is to locate, deliver, recover or assist in the recovery of property is enforceable
33 only if the agreement is in writing, clearly sets forth the nature of the property and the
34 services to be rendered, is signed by the apparent owner and states the value of the
35 property before and after the fee or other compensation has been deducted.

36 3. Mineral proceeds. If an agreement covered by this section applies to mineral
37 proceeds and the agreement contains a provision to pay compensation that includes a
38 portion of the underlying minerals or any mineral proceeds not then presumed
39 abandoned, the provision is void and unenforceable.

40 4. Unconscionable compensation. An agreement covered by this section that
41 provides for compensation that is unconscionable is unenforceable except by the owner.
42 An owner who has agreed to pay compensation that is unconscionable, or the

1 administrator on behalf of the owner, may maintain an action to reduce the compensation
2 to a conscionable amount. The court may award reasonable attorney's fees to an owner
3 who prevails in the action.

4 **5. Other grounds not precluded.** This section does not preclude an owner from
5 asserting that an agreement covered by this section is invalid on grounds other than
6 unconscionable compensation.

7 **6. Limitation on fees or compensation.** Fees or compensation under agreements
8 made more than 24 months but less than 36 months after the date the property is paid or
9 delivered to the administrator may not exceed 15%.

10 **7. Unfair trade practice.** A person who makes a claim for compensation in
11 violation of this section commits an unfair trade practice in violation of Title 5, section
12 207.'

13 Amend the bill in section 22 by striking out all of §2222 (page 48, lines 4 to 14 in
14 L.D.) and inserting the following:

15 **'§2222. Transitional provision**

16 This Act does not relieve a holder of a duty that arose before October 1, 2019 to
17 report, pay or deliver property. Subject to section 2120, subsection 2, a holder that did
18 not comply with the law governing unclaimed property before October 1, 2019 is subject
19 to applicable provisions for enforcement and penalties in effect before October 1, 2019.'

20 Amend the bill by relettering or renumbering any nonconsecutive Part letter or
21 section number to read consecutively.

22 **SUMMARY**

23 This amendment includes the definition of "game-related digital content" from the
24 Revised Uniform Unclaimed Property Act, or Uniform Act, and, consistent with the
25 Uniform Act, exempts it from the definition of property that is subject to the Maine
26 Revised Unclaimed Property Act and excludes it from the definition of "stored-value
27 obligation."

28 This amendment revises the definition of "owner" to include a creditor.

29 This amendment amends the provision governing the presumption of abandonment
30 for a payroll card or demand, savings or time deposit to track the language of the Uniform
31 Act to provide that the property is presumed abandoned 3 years after the maturity of the
32 deposit, deleting the reference to the last indication of interest by the owner.

33 This amendment provides that the date on which the dormancy period begins to run is
34 the date an insurance company has knowledge of the death of an insured, rather than the
35 date of death as provided in the bill.

36 The bill provides that a stored-value card is presumed abandoned on the latest of 2
37 years after key events have occurred; this amendment changes that time period to 3 years.

38 This amendment removes from the bill language providing that a security is
39 presumed abandoned 2 years after the date of death of the owner.

1 This amendment revises the bill to provide that automatic withdrawals previously
2 authorized and automatic reinvestments of dividends and interest are included as an
3 indication of an apparent owner's interest in the property.

4 This amendment provides that interest on interest-bearing property that has been
5 delivered to the administrator is not payable to the owner for any period before the
6 effective date of the Maine Revised Unclaimed Property Act, unless the prior law
7 authorized such payments. This provision is included in the Uniform Act.

8 This amendment provides that the administrator may not commence an action or
9 proceeding to enforce the Maine Revised Unclaimed Property Act with respect to the
10 reporting, payment or delivery of property more than 5 years after the holder filed a
11 nonfraudulent report with the administrator. The parties may agree in a record to extend
12 the limitation. In addition, the administrator may not commence an action, proceeding or
13 examination with respect to a duty of a holder under the Maine Revised Unclaimed
14 Property Act more than 10 years after the duty arose.

15 This amendment strikes out subchapter 13 in the bill and replaces it with the language
16 of the current Maine Revised Statutes, Title 33, section 1976 with regard to agreements to
17 locate property. This amendment provides that if a person with a claim held by the
18 administrator enters into an agreement with a professional investigator licensed in the
19 State, when the administrator has determined that a payment or property should be
20 delivered to the claimant, the administrator is required to deliver the payment or property
21 directly to the professional investigator. When such an agreement is in effect, the
22 administrator is required to provide the claimant or the professional investigator with
23 notice about the approval or denial of a claim.

24 The bill includes transitional provisions from the Uniform Act that require that when
25 an initial report is filed under the Maine Revised Unclaimed Property Act, it must include
26 all property reportable under the Maine Revised Unclaimed Property Act for the prior 10
27 years. It also requires that a duty that arose under the existing law to report, pay or
28 deliver property is not relieved by the enactment of the Maine Revised Unclaimed
29 Property Act. This amendment strikes the transition provision from the bill relating to
30 reportable property for the prior 10 years.
