**STATE OF MAINE
SENATE
129TH LEGISLATURE
FIRST REGULAR SESSION**

COMMITTEE AMENDMENT “ ” to S.P. 577, L.D. 1735, Bill, “An Act To Clarify the Pathway for a Registered Dispensary under the Maine Medical Use of Marijuana Act To Become a For-profit Entity”

Amend the bill by striking out everything after the title and inserting the following:

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, Public Law 2017, chapter 452 became law on December 13, 2018 and repealed the requirement that registered medical marijuana dispensaries be nonprofit entities; and

Whereas, Public Law 2017, chapter 452 authorizes the State to issue 6 additional dispensary registration certificates without the requirement that these dispensaries be established as nonprofit entities; and

Whereas, Public Law 2017, chapter 452 does not provide a clear pathway for existing registered medical marijuana dispensaries to reorganize as for-profit entities under Maine law; and

Whereas, it is imperative that the law be immediately amended to provide a pathway for an existing registered medical marijuana dispensary to qualify to operate under the law as amended by Public Law 2017, chapter 452; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:
