SUMMARY

This amendment makes several technical corrections to the bill. It corrects language to refer to a “public utility” to ensure consistency in terminology. It corrects a cross-reference to a provision of the Standard Sewer District Enabling Act, the Maine Revised Statutes, Title 38, chapter 10. The amendment also provides that the Standard Sewer District Enabling Act does not apply with respect to a provision in the bill relating to uniformity of rates and fees that is not consistent with that Act.
