31 SUMMARY

32 The bill amends the definition of "eligible veteran" with respect to eligibility for
33 burial in the Maine Veterans' Memorial Cemetery System. That definition of "eligible
34 veteran" is also employed in current law to define veteran eligibility for temporary
35 financial assistance. This amendment, which is the unanimous report of the committee,
36 amends the statute governing the temporary financial assistance program by removing the

1 cross-reference to the definition of "eligible veteran" in the cemetery statute and replacing
2 it with the definition of "veteran" that is currently used in the rules governing the
3 temporary financial assistance program to determine eligibility for assistance under that
4 program.
