**Resolve, to Evaluate Options for the Recycling of Solar Panels and Wind
Turbine Blades**

Sec. 1. Department of Environmental Protection; evaluation of recycling for solar panels and wind turbine blades. Resolved: That the Department of Environmental Protection shall evaluate whether solar panels and wind turbine blades meet the criteria in the Maine Revised Statutes, Title 38, section 1772, subsection 2 to be a candidate for a product stewardship program. The evaluation must include collection of information regarding facilities operating or planned for operation in the eastern United States that can recycle solar panels or wind turbine blades and identification of the recycling costs for those materials for customers of those facilities. The department shall include its findings and recommendations from the evaluation, including any proposed legislation, in the annual report required by Title 38, section 1772, subsection 1 and due February 15, 2024.
