**An Act Relating to the Provision of Nicotine Replacement Products by
Pharmacists**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 32 MRSA §13702-A, sub-§28, as amended by PL 2013, c. 308, §2, is further amended to read:

28. Practice of pharmacy. "Practice of pharmacy" means the interpretation and evaluation of prescription drug orders; the compounding, dispensing and labeling of drugs and devices, except labeling by a manufacturer, packer or distributor of nonprescription drugs and commercially packaged legend drugs and devices; the participation in drug selection and drug utilization reviews; the proper and safe storage of drugs and devices and the maintenance of proper records for these drugs and devices; the administration of vaccines licensed by the United States Food and Drug Administration that are recommended by the United States Centers for Disease Control and Prevention Advisory Committee on Immunization Practices, or successor organization, for administration to adults; the performance of collaborative drug therapy management; the responsibility for advising, when necessary or regulated, of therapeutic values, content, hazards and use of drugs and devices; the ordering and dispensing of over-the-counter nicotine replacement products approved by the United States Food and Drug Administration; and the offering or performing of those acts, services, operations or transactions necessary in the conduct, operation, management and control of a pharmacy.
