

STATE OF MAINE

IN THE YEAR OF OUR LORD  
TWO THOUSAND TWENTY-FIVE

H.P. 391 - L.D. 623

**An Act to Enhance Support Services for Individuals with an Acquired Brain Injury**

Be it enacted by the People of the State of Maine as follows:

**Sec. 1. 22 MRSA §3088-A**, as enacted by PL 2019, c. 488, §1, is amended to read:

**§3088-A. Support for underserved populations**

Within the limits of its available resources, the department may enter into contracts with dedicated brain injury organizations based in the State or with brain injury organizations representing individuals with a brain injury and their families, bringing together with an affiliate in the State established and directed by families, caregivers and individuals with an acquired brain injury residing in the State, to collaborate with the department on federal brain injury state partnership grants and bring together state and national expertise to provide core brain injury support for underserved populations of individuals with an acquired brain injury, including, but not limited to, individuals who experienced an opioid drug overdose resulting in anoxic or hypoxic brain injury, who are veterans, who are victims of domestic violence, who are experiencing homelessness, who are ineligible for MaineCare and who have a newly acquired brain injury. For the purposes of this section, "core brain injury support" includes, but is not limited to, resource facilitation, brain injury support groups, outreach designed for individuals who have a newly acquired brain injury, access to a joint state and national helpline, access to an online brain injury screening and support system, information and resource education and family caregiver training. The department may adopt rules to implement this section. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.
