H.P. 450 - L.D. 592

**An Act Regarding Forensic Examination Kits**

**Be it enacted by the People of the State of Maine as follows:**

**Sec. 1. 24 MRSA §2986, sub-§3**, as amended by PL 2005, c. 538, §1, is further amended to read:

**3. Completed kit.** If the alleged victim has not reported the alleged offense to a law enforcement agency when the examination is complete, the hospital or health care practitioner shall then notify the nearest law enforcement agency, which shall transport and store the completed forensic examination kit for at least 90 days. The completed kit may be identified only by the tracking number. If during that 90-day period an alleged victim decides to report the alleged offense to a law enforcement agency, the alleged victim may contact the hospital or health care practitioner to determine the tracking number. The hospital or health care practitioner shall provide the alleged victim with the tracking number on the forensic examination kit and shall inform the alleged victim which law enforcement agency is storing the kit.

If the alleged victim reports the alleged offense to a law enforcement agency by the time the examination is complete, the investigating ~~law enforcement~~ agency shall ~~transport~~ retain custody of the forensic examination kit ~~directly to the Maine State Police Crime Laboratory.~~

If an examination is performed under subsection 5 and the alleged victim does not, within 60 days, regain a state of consciousness adequate to decide whether or not to report the alleged offense, the State may file a motion in the District Court relating to storing or processing the forensic examination kit. Upon finding good cause and after considering factors, including, but not limited to, the possible benefits to public safety in processing the kit and the likelihood of the alleged victim's regaining a state of consciousness adequate to decide whether or not to report the alleged offense in a reasonable time, the District Court may order either that the kit be stored for additional time or that the kit be transported to the Maine State Police Crime Laboratory for processing, or such other disposition that the court determines just. In the interests of justice or upon motion by the State, the District Court may conduct hearings required under this paragraph confidentially and in camera and may impound pleadings and other records related to them.
