**An Act to Provide for the Management of the Waste Components of a Solar
Energy Development upon Decommissioning**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 35-A MRSA §3491, sub-§1, as enacted by PL 2021, c. 151, §1, is amended by amending the last blocked paragraph to read:

"Decommissioning" includes the grading to postconstruction grade and revegetation of all earth disturbed during construction and decommissioning, except for areas already restored, providing for the recycling of the waste components of the solar energy development that are recyclable, including, but not limited to, the solar panels, by a facility authorized to accept such materials for recycling and providing for the disposal of the waste components of the solar energy development that are not recyclable by a facility authorized to accept such materials for disposal.
