**Resolve, Directing the Secretary of State to Study Providing Access to  
Absentee Ballots for Municipal Elections to Uniformed Service Voters or  
Overseas Voters in the Same Manner as Absentee Ballots for Statewide  
Elections**

**Sec. 1. Department of Secretary of State to study providing access to  
absentee ballots for municipal elections to uniformed service voters or overseas  
voters in same manner as absentee ballots for statewide elections. Resolved:**  
That the Department of the Secretary of State shall study the feasibility of and methods for  
providing digital access to and receipt of local absentee ballots for uniformed service voters  
or overseas voters from a municipality holding an election on the same date as a statewide  
election. In conducting this study, the Department of the Secretary of State may consult  
with members of an association representing town and city clerks.

**Sec. 2. Department of Secretary of State to update information provided to  
uniformed service voters or overseas voters regarding access to and return of  
local absentee ballots. Resolved:** That the Department of the Secretary of State shall  
update its publicly accessible website or the Uniformed and Overseas Citizens Absentee  
Voting Act absentee ballot retrieval service portal, as applicable, to include clearly and  
conspicuously that local absentee ballots must be obtained from the uniformed service  
voter's or overseas voter's municipality of residence and that the process for applying for,  
receiving and returning absentee ballots through the Uniformed and Overseas Citizens  
Absentee Voting Act absentee ballot retrieval service portal applies only to statewide and  
federal elections. The Secretary of State shall make easily accessible the contact  
information for each municipality in the State.

**Sec. 3. Report. Resolved:** That, no later than December 3, 2025, the Secretary of  
State shall submit a report based upon the study in section 1, including an update on the  
information required under section 2, along with any recommended legislation, to the Joint  
Standing Committee on Veterans and Legal Affairs, which may report out legislation  
related to the report to the Second Regular Session of the 132nd Legislature.
