 29 section number to read consecutively.

30 **SUMMARY**

31 This amendment is the minority report of the committee. The amendment is the same
 32 as the majority report, except that it does not automatically allow a DNA sample to be
 33 taken upon arrest. The amendment specifies that a DNA sample may not be taken
 34 immediately upon arrest unless the arrest was made upon an arrest warrant for murder or
 35 a Class A, B or C crime or if the defendant has appeared before a judge who made a
 36 finding that there was probable cause for the arrest. If one of these 2 requirements is met,
 37 the DNA sample may be taken and the rest of the new provisions apply.
