An Act To Create the New Gloucester Water District

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, hydrocarbon, salt and chloride contamination has been identified in New Gloucester's Upper Village and this poses a serious threat to the health and well-being of the inhabitants of the area; and

Whereas, in order to secure necessary funding to address the contamination of water in New Gloucester's Upper Village, the Town of New Gloucester has had to schedule in January of 2012 a vote on the creation of a water district, which could occur before this legislation is approved, and this legislation must take effect as close to the vote as possible to effectuate the formation of the water district; and

Whereas, an adequate supply of pure water is essential to the health and well-being of the inhabitants of the Town of New Gloucester; and
