

STATE OF MAINE

 IN THE YEAR OF OUR LORD

TWO THOUSAND NINETEEN

 S.P. 393 - L.D. 1273

**An Act To Ensure Funding for Certain Essential Functions of the University
of Maine Cooperative Extension Pesticide Safety Education Program**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 7 MRSA §607, sub-§6, as amended by PL 2013, c. 290, §1 and affected by §4, is further amended to read:

6. Registration fee; programs funded. The applicant desiring to register a pesticide must pay an annual registration fee of \$160 for each pesticide registered for that applicant. Annual registration periods expire on December 31st or in a manner consistent with Title 5, section 10002, whichever is later.

The board shall monitor fee revenue and expenditures under this subsection to ensure that adequate funds are available to fund board and related department programs and, to the extent funds are available, to provide grants to support stewardship programs. The board shall use funds received under this subsection to provide:

A. An annual grant of no less than \$135,000 to the University of Maine Cooperative Extension, on or about April 1st, for development and implementation of integrated pest management programs. ~~The University of Maine may not charge overhead costs against this grant; and~~

B. Funding for public health-related mosquito monitoring programs or other pesticide stewardship and integrated pest management programs, if designated at the discretion of the board, as funds allow after expenditures under paragraph A. The board ~~shall~~ may seek the advice of the Integrated Pest Management Council established in section 2404 in determining the most beneficial use of the funds, if available, under this subsection; ~~and~~

C. An annual grant of not less than \$65,000 to the University of Maine Cooperative Extension, on or about April 1st, for the development and revision of training manuals for applicator certification, licensing and recertification and to perform other aspects of pesticide education programs. The University of Maine Cooperative Extension may seek the advice of the board in establishing the pesticide education programs and shall submit an annual report on the use of the funds under this

paragraph, no later than January 15th, to the board and the joint standing committee of the Legislature having jurisdiction over pesticide education and certification matters.

The University of Maine may not charge overhead costs against grants under this subsection.

By February 15th annually, the board shall submit a report to the joint standing committee of the Legislature having jurisdiction over agriculture, conservation and forestry matters detailing the grants funded by the fee under this subsection. The annual report must include a recommendation by the board as to whether the amount of the fee is adequate to fund the programs described in this subsection. The joint standing committee may report out a bill to the Legislature based on the board's recommendations.

Sec. 2. Appropriations and allocations. The following appropriations and allocations are made.

UNIVERSITY OF MAINE SYSTEM, BOARD OF TRUSTEES OF THE

University of Maine Cooperative Extension Z172

Initiative: Allocates ongoing funds for the University of Maine Cooperative Extension to develop and revise training manuals for applicator licensing and recertification and to perform other aspects of pesticide education programs.
