**STATE OF MAINE
HOUSE OF REPRESENTATIVES
128TH LEGISLATURE
FIRST REGULAR SESSION**

HOUSE AMENDMENT “ ” to COMMITTEE AMENDMENT “A” to H.P. 716, L.D. 1014, Bill, “An Act To Require a Person To Notify Law Enforcement Officers of the Possession of a Hypodermic Needle”

Amend the amendment in section 1 in subsection 1 in the last line (page 1, line 20 in amendment) by striking out the following: "or detention"

SUMMARY

Committee Amendment "A" provides that a person is guilty of the Class D crime of failure to inform a law enforcement officer of a hypodermic apparatus if the person in fact has a hypodermic apparatus in possession on the person's body and the person in fact fails to inform a law enforcement officer that the person is in possession of a hypodermic apparatus on the person's body during the course of any arrest or detention of the person. This amendment removes criminal liability for a person who fails to inform a law enforcement officer that the person is in possession of a hypodermic apparatus on the person's body during the course of any detention so that only a person who fails to inform a law enforcement officer that the person is in possession of a hypodermic apparatus on the person's body during the course of any arrest is subject to criminal liability.
