SENATE AMENDMENT

SUMMARY

1
2 This amendment amends the provisions of Committee Amendment "A" that set out
3 requirements for an applicant for a law office study program. This amendment retains the
4 provision that allows the applicant to have graduated with a bachelor's degree from an
5 accredited college or university in this country or in another country that is accredited under
6 the laws of that country but eliminates the alternative that an applicant work as a paralegal
7 for the equivalent of 4 years on a full-time basis. With respect to the course of legal study
8 required by Committee Amendment "A", this amendment requires a supervising judge or
9 attorney to have been designated as qualified to supervise a systematic course of legal study
10 pursuant to rules adopted by the Board of Overseers of the Bar and requires that the course
11 of legal study be approved by the Board of Overseers of the Bar pursuant to rules adopted
12 by the Board of Overseers of the Bar.
