'Sec. 5. Legislative intent regarding compliance and enforcement. It is the intent of the Legislature that the Department of Administrative and Financial Services, Bureau of General Services and the Department of Transportation comply with the construction safety training requirements for craft workers as specified in the Maine Revised Statutes, Title 26, section 1317 and that the Department of Labor enforce the provisions of Title 26, section 1317 within existing resources.'

Amend the amendment by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively.
