An Act to Exempt, for Licenses Issued Prior to December 21, 2025, Persons Holding a Majority Ownership Interest from the Restriction on the Number of Manufacturing Facility Licenses and On-premises Retail Licenses

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 28-A MRSA §1355-A, sub-§2-C is enacted to read:

2-C. Grandfathering of certain licenses issued prior to December 21, 2025. The bureau may not suspend, revoke or refuse to renew a license issued under this section or chapter 43 that was initially issued prior to December 21, 2025 solely on the basis that the person or persons holding a majority ownership interest in the licensed manufacturing facility were determined by the bureau after the license was initially issued to hold a majority ownership interest in more than the allowable number of on-premises retail licenses issued under chapter 43 if the on-premises retail licenses issued under chapter 43 were also initially issued prior to December 21, 2025.

A license grandfathered pursuant to this subsection may not be sold, transferred or otherwise conveyed.
