**STATE OF MAINE
HOUSE OF REPRESENTATIVES
130TH LEGISLATURE
FIRST SPECIAL SESSION**

COMMITTEE AMENDMENT “ ” to H.P. 91, L.D. 135, “An Act To Address Issues in Funding Prekindergarten Programs”

Amend the bill by striking out the title and substituting the following:

'Resolve, Directing the Department of Education and the Department of Health and Human Services To Study a Centralized Billing Process for Developmental and School-based Services Covered by the MaineCare Program and Other Insurers and Report on Updates to the Child Find Process'

Amend the bill by striking out everything after the title and inserting the following:

'Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, this resolve directs the Department of Education, in collaboration with the Department of Health and Human Services, to study the development of a centralized billing system for developmental and school-based services covered by the MaineCare program and other insurers and report on updates to the child find process and report to the Joint Standing Committee on Education and Cultural Affairs and the Joint Standing Committee on Health and Human Services; and

Whereas, the study must be initiated before the 90-day period expires in order that the study may be completed and a report submitted in time for the next legislative session; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Department of Education and Department of Health and Human Services to study a centralized billing process for developmental and school-based services covered by the MaineCare program and other insurers.

Resolved: That the Department of Education shall collaborate with the Department of

COMMITTEE AMENDMENT

1 Health and Human Services to study the development of a centralized billing system to
2 process claims to the MaineCare program and other insurers, including private insurance,
3 for children with disabilities from birth to 22 years of age. The study must address:

4 1. How to maximize revenue through automation and efficiencies;

5 2. What services are currently billed, what services are not currently billed but are
6 covered by the MaineCare program or private insurance and could be billed, what services
7 are coverable by Medicaid programs but are not currently covered by the MaineCare
8 program and how to align service definitions;

9 3. How a centralized billing system could best be designed to be accessible and user-
10 friendly for school administrative units;

11 4. Examples of other states with centralized billing systems, including but not limited
12 to New Hampshire and New York, using data and information provided by a statewide
13 education policy research institute and other 3rd-party entities, as available;

14 5. Options for the development of a billing system through a 3rd party or through state
15 agencies, such as the Department of Health and Human Services, the Department of
16 Education or the Department of Administrative and Financial Services;

17 6. How seed money is currently used to fund MaineCare-covered school-based
18 services; and

19 7. How special purpose preschools could maintain their own separate billing system if
20 a centralized system is implemented.

21 **Sec. 2. Report. Resolved:** That the Department of Education and the Department
22 of Health and Human Services shall report to the Joint Standing Committee on Education
23 and Cultural Affairs and the Joint Standing Committee on Health and Human Services no
24 later than February 1, 2022 on the study under section 1. The Joint Standing Committee on
25 Education and Cultural Affairs may report out a bill related to the report to the Second
26 Regular Session of the 130th Legislature.

27 **Sec. 3. Department of Education to report on updates to child find.**
28 **Resolved:** That the Department of Education, in collaboration with the Department of
29 Health and Human Services, shall report to the Joint Standing Committee on Education and
30 Cultural Affairs and the Joint Standing Committee on Health and Human Services no later
31 than February 1, 2022 on efforts to develop, improve and oversee the implementation of
32 the statewide child find plan. The report must include, but is not limited to:

33 1. Meetings and recommendations from the state interagency coordinating council
34 described under 20 United States Code, Section 1441;

35 2. Updates on current child find initiatives;

36 3. An examination, including a review of criteria used by other jurisdictions, of how
37 the State can move forward on expanded eligibility criteria to enable more children with
38 less significant developmental delays to be served;

39 4. Ways to access, leverage and enhance the Department of Health and Human
40 Services' Child Development Services System referral system;

41 5. Current initiatives and future plans to improve support for children who are referred
42 but not found eligible for services;

1 6. Data regarding the correlation, if any, between the provision of early intervention
2 services and the need for services later in life;

3 7. Any applicable memoranda of agreement between the Department of Education and
4 the Department of Health and Human Services; and

5 8. Any additional recommendations on improving child find efforts throughout the
6 State.

7 The Joint Standing Committee on Education and Cultural Affairs may report out a bill
8 related to the report to the Second Regular Session of 130th Legislature.

9 **Sec. 4. Appropriations and allocations. Resolved:** That the following
10 appropriations and allocations are made.

23 Amend the bill by relettering or renumbering any nonconsecutive Part letter or section
24 number to read consecutively.

25 **SUMMARY**

26 This amendment replaces the bill, which is a concept draft, with a resolve. The
27 amendment directs the Department of Education, in collaboration with the Department of
28 Health and Human Services, to study the development of a centralized billing process for
29 developmental and school-based services covered by the MaineCare program and other
30 insurers and report to the Joint Standing Committee on Education and Cultural Affairs and
31 the Joint Standing Committee on Health and Human Services no later than February 1,
32 2022. The amendment also directs the Department of Education, in collaboration with the
33 Department of Health and Human Services, to report to the Joint Standing Committee on
34 Education and Cultural Affairs and the Joint Standing Committee on Health and Human
35 Services no later than February 1, 2022 on efforts to develop, improve and oversee the
36 statewide child find plan. The Joint Standing Committee on Education and Cultural Affairs
37 is authorized to report out bills related to the reports to the Second Regular Session of the
38 130th Legislature. The amendment also adds an appropriations and allocations section.
