'Sec. 1. 22 MRSA §1067 is enacted to read:

§1067. Opt-out of personally identifying information

An individual may choose to be excluded from the immunization information system established pursuant to section 1064, thereby limiting future access to that individual's immunization records and demographic information from the immunization information system, by submitting a signed and witnessed document to the individual's immunization provider on a form prescribed by the department. Amend the bill by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively.

SUMMARY

This amendment is the minority report of the committee.
