29 **SUMMARY**

30 This amendment is the majority report of the committee. This amendment clarifies that

31 "cause" does not mean a layoff due to a reduction of operations at the employee's place of

32 employment due to downsizing or restructuring, the seasonal nature of the employer or

33 other economic conditions as determined by the employer. This amendment allows an

34 employer to immediately terminate an employee for an action that, in the judgment of the

35 employer:

- 36 1. Has endangered the safety or well-being of the employer, an employee or a
- 37 customer;
- 38 2. Has hindered the ability to operate the business under normal operating conditions;
- 39 or
- 40 3. May harm the reputation of the business in the community.

1 It allows an employer to terminate an employee for committing an offense that is listed
2 in written employee personnel policies as an offense for which an employee may be
3 terminated. It also adds an appropriations and allocations section.
