SUMMARY

This amendment incorporates the substance of Senate Amendment "A" to Committee Amendment "A," except that it further amends the reporting requirements in the Maine Revised Statutes, Title 34-A, section 3032, subsection 3, paragraph E to eliminate the use of the term "confinement" and to require the chief administrative officer to send a report to the Commissioner of Corrections if a person is held in segregation for more than 22 hours in a 24-hour day. Current law requires a report when a person is held in segregation for more than 5 days.
