8	<u>CHAPTER 204</u>
9	COMMUNITY REDEVELOPMENT LAND BANK AUTHORITY
10	SUBCHAPTER 1
11	ESTABLISHMENT AND ORGANIZATION
12	<u>§5151. Title</u>
13	This chapter may be known and cited as "the Community Redevelopment Land Bank
14	<u>Act."</u>
15	§5152. Findings and declaration of necessity
16	The Legislature finds and declares that:
17	1. Blighted, abandoned, environmentally hazardous and functionally obsolete
18	property burdens public resources. There exist areas in the State in need of economic
19	revitalization where blighted, abandoned and environmentally hazardous property and
20 21	property that is both functionally obsolete and unfit to be repurposed for another use present burdens on municipal revenues and public health and safety;
22 23	2. Need for revitalization. In order to strengthen and revitalize the economy of the State and municipalities, it is in the best interest of the State to assemble and dispose of
23 24	blighted, abandoned and environmentally hazardous property and property that is both
25	functionally obsolete and unfit to be repurposed for another use in a coordinated manner to
26	foster development of that property and promote economic growth;
27	3. Coordinated development of blighted, abandoned, environmentally hazardous
28	and functionally obsolete property serves the public interest. The planning and
29	preparation of revitalizing the economy through the acquisition of blighted, abandoned and
30	environmentally hazardous property and property that is both functionally obsolete and
31	unfit to be repurposed for another use using public money are a governmental concern and
32	serve a valid public purpose; and
33	4. Facilitate coordinated redevelopment of blighted, abandoned, environmentally
34	hazardous and functionally obsolete property. The establishment of the redevelopment
35	authority is necessary to facilitate the relief of the conditions described in this section by
36	assisting local, state and federal agencies and private entities in the redevelopment of

1 2 3 4	blighted, abandoned and environmentally hazardous property and property that is both functionally obsolete and unfit to be repurposed for another use into economically productive use. Properties identified as historic are not excluded from redevelopment as described in this subchapter if they meet the other criteria described in this subchapter.
5	§5153. Community Redevelopment Land Bank Authority established; purpose
6 7 8	<u>The Community Redevelopment Land Bank Authority, referred to in this chapter as</u> <u>"the redevelopment authority," is established and is a body corporate and politic and an</u> <u>instrumentality of the State.</u>
9 10 11 12 13 14 15	The purpose of the redevelopment authority is to assist municipalities in the assembly and clearance of title to, and acquisition of, property identified as blighted, abandoned, environmentally hazardous or functionally obsolete that has documented potential to be used and developed in a way that will promote economic growth within the municipality and the State. The transfer of property to the redevelopment authority by a municipality may be facilitated through its legislative body or through a municipal development authority.
