Sec. 3. 21-A MRSA	§737-A, first ¶, as amended by PL 2019, c. 371, §28, is further
amended to read:	

3 Once a recount is requested for an election for the office of State Senator or State Representative or for a county office that does not encompass more than one county, the 4 Secretary of State shall notify the contracted courier service, which shall take physical 5 6 control of all ballots and related materials involved in the recount as soon as possible and 7 deliver them to the recount facility. When a recount is requested for a statewide office, congressional office, presidential election or statewide referendum or for a county office 8 9 that encompasses more than one county, the Secretary of State may direct the courier to 10 retrieve ballots from certain voting jurisdictions and deliver them to the recount facility so that the recount may be conducted in stages until the requesting candidate or the lead 11 12 applicant for a referendum recount concedes or until all the ballots are recounted.  ballots" and inserting the following: 'the relevant municipal clerk, the Secretary of State or
 the Secretary of State's designee'

SUMMARY

This amendment, which is the majority report of the committee, makes the followingchanges to the bill.

It clarifies that the municipal clerk must retain possession, custody and control over
 both sealed containers of state election materials and sealed containers of municipal
 election materials and adds a requirement that the municipal clerk must also retain
 possession, custody and control over the containers in which unused ballots are sealed.

29
2. It clarifies that a municipal clerk may open or transfer the contents of the containers
30 of state election materials, municipal election materials or unused ballots when expressly
31 authorized by rule, for example when necessary to conduct a ranked-choice voting count,
32 and for the purposes of conducting a recount of a presidential election in the State.

33 3. It removes the language of the bill that requires the inspection of ballots by the 34 Governor, either branch of the Legislature, any legislative committee or a court to be 35 subject to the oversight of a public official authorized by law to inspect ballots and replaces 36 it with a requirement that the relevant municipal clerk, the Secretary of State or the 37 Secretary of State's designee must oversee the inspection of ballots by such persons.
