COMMITTEE AMENDMENT

1 **'Sec. 9. 36 MRSA §5217-E** is enacted to read:

2 **§5217-E. Credit for student loan repayment**

3 For tax years beginning on or after January 1, 2023, a qualified individual is allowed a
4 credit for education loan payments as computed under this section against the taxes
5 imposed under this Part.

6 **1. Definitions.** As used in this section, unless the context otherwise indicates, the
7 following terms have the following meanings.

8 A. "Accredited Maine community college, college or university" has the same
9 meaning as in Title 20-A, section 12541, subsection 1.

10 B. "Accredited non-Maine community college, college or university" means an
11 institution located outside the State that is accredited by a regional accrediting
12 association or by one of the specialized accrediting agencies recognized by the United
13 States Secretary of Education.

14 C. "Education loan payment" means a loan payment paid during the taxable year for
15 eligible education loans.

16 D. "Eligible education loan" means a loan obtained by a qualified individual for
17 attendance by that qualified individual at an accredited Maine community college,
18 college or university or accredited non-Maine community college, college or university
19 to obtain an associate, bachelor's or graduate degree. "Eligible education loan"
20 includes a refinanced loan or consolidated loan if the refinanced loan or consolidated
21 loan remains separate from other debt, except for debt incurred in an educational
22 program, but only in proportion to the portion of the education loan payment that is
23 otherwise eligible under this section. "Eligible education loan" does not include a loan
24 obtained from a person related to the qualified individual or from any person by reason
25 of a loan under any qualified employer plan or under a contract referred to in the Code,
26 Section 72(p)(5). For purposes of this paragraph, a person is considered related to the
27 qualified individual if that person meets the criteria listed in the Code, Section 267(b)
28 or Section 707(b)(1). As used in this paragraph, "qualified employer plan" has the
29 same meaning as in the Code, Section 72(p)(4)(A).

30 E. "Part time," as that term refers to employment, means employment that on average
31 during the taxable year consists of a workweek of at least 16 hours but less than 32
32 hours.

33 F. "Qualified individual" means an individual, including the spouse filing a joint return
34 with the individual under section 5221, who is eligible for the credit provided in this
35 section. An individual is eligible for the credit if the individual:

36 (1) Attended and obtained an associate, bachelor's or graduate degree after 2007
37 from an accredited Maine community college, college or university or an
38 accredited non-Maine community college, college or university;

39 (2) Was a resident individual for the entire taxable year; and

40 (3) Meets one of the following conditions:

41 (a) The individual worked during the taxable year;

1 (i) At least part time in this State for an employer or as a self-employed
2 individual; or

3 (ii) At least part time in a position on a vessel at sea;

4 (b) The individual was deployed for military service in the United States
5 Armed Forces, including the National Guard and the Reserves of the United
6 States Armed Forces. As used in this division, "deployed for military service"
7 has the same meaning as in Title 26, section 814, subsection 1, paragraph A;
8 or

9 (c) The individual was a spouse of an individual who meets the requirements
10 of either division (a) or division (b).

11 G. "Resident individual" means an individual:

12 (1) Who is domiciled in this State; or

13 (2) Who is not domiciled in this State, but maintains a permanent place of abode
14 in this State and spends in the aggregate more than 183 days of the taxable year in
15 this State, unless the individual is a member of the United States Armed Forces.

16 **2. Credit allowed.** A qualified individual is allowed a refundable credit against the
17 tax imposed by this Part in accordance with the provisions of this section. The credit is
18 created to implement the Job Creation Through Educational Opportunity Program
19 established under Title 20-A, chapter 428-C.

20 A. A taxpayer may claim a credit based on education loan payments actually made to
21 a relevant lender or lenders under this section only with respect to education loan
22 payment amounts paid by the taxpayer during that part of the taxable year that the
23 qualified individual worked in this State. Forbearance or deferment of education loan
24 payments does not affect eligibility for the credit under this section. An individual who
25 worked in this State for any part of a month of the taxable year is considered to have
26 worked in this State for the entire month.

27 **3. Calculation of the credit; qualified individuals.** Subject to subsection 2, the credit
28 with respect to a qualified individual is equal to the amount paid on eligible education loans
29 during the taxable year up to \$2,500. A taxpayer entitled to a credit for any taxable year
30 may carry over and apply to tax liability for any one or more of the next succeeding 5 years
31 the portion, as reduced from year to year, of any unused credits.'

32 Amend the bill by striking out all of section 10 and inserting the following:

33 **'Sec. 10. Application.** That section of this Act that enacts the Maine Revised
34 Statutes, Title 36, section 5122, subsection 2, paragraph XX applies to tax years beginning
35 on or after January 1, 2023.'

8 Amend the bill by relettering or renumbering any nonconsecutive Part letter or section
9 number to read consecutively.

10 **SUMMARY**

11 This amendment changes dates in the bill to reflect a later enactment date due to carry-
12 over of the bill to the Second Regular Session. The amendment simplifies the income tax
13 credit proposed in the bill and provides that the credit applies only to qualified individuals
14 and not employers. The new credit provides a refundable credit of up to \$2,500 to qualified
15 individuals. The credit applies to a qualified individual who received an associate,
16 bachelor's or graduate degree after 2007 as long as the individual is employed in Maine and
17 is a Maine resident.
