40 mailed to the address provided in the request or any subsequent address provided by the
41 victim.

1 Standards Council to implement an automated crime victims notification system. The
2 automated system provides a victim with timely notices of an offender's change in
3 incarceration status or custody and notices regarding criminal justice proceedings
4 considered to be in the best interest of crime victims in this State and in the interests of
5 public safety. Finally, the bill provides an appropriation of \$575,000 from the General Fund
6 in fiscal year 2025-26 for the purposes of development, support and maintenance of the
7 automated crime victims notification system.
