19 to read:

20           **4. Funding.** This subsection governs the use of state funds for hypodermic  
21 apparatus exchange programs certified pursuant to this section. This subsection is not  
22 intended to limit the ability of certified programs to secure other sources of funding or to  
23 discourage fund-raising for the purpose of operating such programs. The Maine Center  
24 for Disease Control and Prevention shall allocate any funds appropriated for hypodermic  
25 apparatus exchange programs among new and existing certified programs based on rates  
26 of intravenous drug use and negative health outcomes related to drug use in the  
27 geographic area surrounding a program; if applicable, the amount of services historically  
28 provided by the certified program; the geographic distribution of services provided by the  
29 certified program; and other relevant factors. The award of funds must occur not later  
30 than 60 days after the effective date of this subsection and annually thereafter based on  
31 the availability of funding.

32           **Sec. 11. 22 MRSA §2383-B, sub-§6**, as amended by PL 2015, c. 27, §1, is  
33 further amended to read:

34           **6. Lawful possession of hypodermic apparatuses by livestock owners; sale to**  
35 **livestock owners.** A person who owns livestock is authorized to possess and have  
36 control of hypodermic apparatuses for the purpose of administering antibiotics, vitamins  
37 and vaccines to treat medical conditions or promote the health of that person's livestock;  
38 ~~and such possession and control are expressly authorized within the meaning of Title~~  
39 ~~17-A, section 1111, subsection 1, paragraph A.~~ For the purposes of this subsection,

1 "livestock" means cattle, equines, sheep, goats, swine, members of the genus Lama,  
2 poultry, rabbits and cervids as defined in Title 7, section 1333, subsection 1.

3 A. An agricultural supply store authorized to sell hypodermic apparatuses pursuant  
4 to Title 32, section 13787-A, subsection 1 may furnish or sell, without limit in  
5 number, hypodermic apparatuses to a person authorized to possess and have control  
6 of hypodermic apparatuses pursuant to this subsection, ~~and such furnishing or sale is~~  
7 ~~expressly authorized within the meaning of Title 17-A, section 1110, subsection 1-B.~~

8 **Sec. 12. 32 MRSA §13787-A, sub-§3**, as amended by PL 2003, c. 688, Pt. A,  
9 §39, is repealed.

## 10 SUMMARY

11 This bill expands the scope and capabilities of hypodermic apparatus exchange  
12 programs certified by the Department of Health and Human Services, Maine Center for  
13 Disease Control and Prevention. This bill requires the center to adopt rules that:

14 1. Allow the programs to distribute naloxone hydrochloride and other safer drug use  
15 supplies; and

16 2. Expand the criteria a program must meet in order to be awarded funds, including  
17 distributing naloxone hydrochloride and other safer drug use supplies; providing HIV,  
18 AIDS and hepatitis C testing; and maintaining referral agreements or having the capacity  
19 to provide counseling services, medication-assisted treatment services and infectious  
20 disease care.

21 The center is also required to consider geographic distribution of services provided  
22 by a program when allocating funding.

23 This bill also amends the Maine Criminal Code to remove the crimes of furnishing  
24 hypodermic apparatuses and illegal possession of hypodermic apparatuses and makes  
25 changes to other statutes to reflect that decriminalization.
