**STATE OF MAINE
SENATE
130TH LEGISLATURE
SECOND REGULAR SESSION**

COMMITTEE AMENDMENT “ ” to S.P. 723, L.D. 2010, “An Act To Help Maine Residents with High Electricity Costs”

Amend the bill by striking out the title and substituting the following:

'Resolve, To Help Certain Businesses with Electricity Costs'

Amend the bill by striking out everything after the title and inserting the following:

'Sec. 1. Definitions. Resolved: That, as used in this resolve, unless the context otherwise indicates, the following terms have the following meanings.

- 1. "Commission" means the Public Utilities Commission.
- 2. "Covered utility" means an investor-owned transmission and distribution utility as defined in the Maine Revised Statutes, Title 35-A, section 3104, subsection 1.
- 3. "Eligible customer" means an entity that during February of 2022 was a medium commercial customer of a covered utility taking standard-offer service.
- 4. "Fund" means the Energy Rate Relief Fund established in section 6.
- 5. "Medium commercial customer" means a nonresidential customer of a covered utility that takes service under a core customer class electric delivery rate schedule of the covered utility:
 - A. That includes a demand charge; and
 - B. In which the customer's maximum demand may not exceed 500 kilowatts or the kilowatt break-point stated in the covered utility's applicable electric delivery rate schedule that is closest to, but does not exceed, 500 kilowatts.
- 6. "Standard-offer service" means the service provided according to the Maine Revised Statutes, Title 35-A, section 3212.

Sec. 2. Identification of eligible customers. Resolved: That, by September 1, 2022, each covered utility shall identify which of its customers are eligible customers and report to the commission the number of eligible customers in each relief payment category

COMMITTEE AMENDMENT

1 specified in section 5, subsections 1 to 3 and the amount of the total payments the covered
2 utility will be required to make to eligible customers under section 5.

3 **Sec. 3. Energy rate relief payments. Resolved:** That, by September 15, 2022, the
4 commission shall verify the amounts reported by each covered utility under section 2 and
5 certify the total amount for each covered utility to the Treasurer of State and to the State
6 Controller. By September 30, 2022, the State Controller shall transfer the total amount
7 certified by the commission from the unappropriated surplus of the General Fund to the
8 fund. Within 15 days after the State Controller has transferred the total amount to the fund,
9 the Treasurer of State shall pay from the fund to each covered utility the amount attributable
10 to that utility. The covered utility shall deposit funds received into a separate account to be
11 used only for the purposes of this section and not for other purposes.

12 **Sec. 4. Energy rate relief payments by covered utilities. Resolved:** That, by
13 October 30, 2022, each covered utility shall credit to the account of each eligible customer
14 the amount of relief payment to which the eligible customer is entitled under section 5
15 unless the eligible customer is no longer a customer of the utility. By November 15, 2022,
16 the covered utility shall report to the commission the total amount of relief payments
17 applied to eligible customer accounts and the total number of eligible customers who
18 received an account credit in each credit payment category described under section 5. When
19 a covered utility credits the relief payment to the customer's bill, the utility may deduct that
20 amount from the separate account set aside for purposes of this section under section 3 and
21 treat that amount as if it were a payment by the customer. Any funds that a covered utility
22 does not credit to an eligible customer under this section by June 1, 2023 must be returned
23 to the Treasurer of State, who, by December 31, 2023, shall deposit the funds in the General
24 Fund unappropriated surplus.

25 **Sec. 5. Energy rate relief payment amount. Resolved:** That an eligible customer
26 is eligible for the following energy rate relief payment based on the number of kilowatt-
27 hours billed by the covered utility to the customer on the February 2022 invoice:

- 28 1. If the eligible customer used at least 1,000 but no more than 49,999 kilowatt-hours,
29 the energy relief payment is \$1,500;
- 30 2. If the eligible customer used at least 50,000 but no more than 100,000 kilowatt-
31 hours, the energy relief payment is \$2,000; and
- 32 3. If the eligible customer used more than 100,000 kilowatt-hours, the energy relief
33 payment is \$3,000.

34 **Sec. 6. Energy Rate Relief Fund. Resolved:** That the Energy Rate Relief Fund is
35 established for purposes of facilitating energy rate relief payments under this section. The
36 fund consists of all resources transferred to the fund by the State Controller under section
37 3. The fund must be used to provide energy rate relief payments to covered utilities under
38 this section. Any amounts remaining in the fund on June 30, 2023 must be transferred by
39 the State Controller to the General Fund unappropriated surplus.

40 **Sec. 7. Review. Resolved:** That, by June 30, 2023, the commission shall undertake
41 a review of each covered utility to ensure that the energy rate relief payment under section
42 3 has been credited to eligible customers or returned to the State in accordance with section
43 4. If the commission determines that any of the requirements of this section have not been
44 complied with, the commission may issue appropriate orders to correct the noncompliance

1 or provide a report to the joint standing committee of the Legislature having jurisdiction
2 over energy, utilities and technology matters recommending legislation to address the
3 matter.

4 **Sec. 8. Appropriations and allocations. Resolved:** That the following
5 appropriations and allocations are made.

6 **TREASURER OF STATE, OFFICE OF**
7 **Energy Rate Relief Fund N961**

8 Initiative: Provides allocation for payments to utilities for subsequent distribution of energy
9 rate relief payments to qualified customers.

15 Amend the bill by relettering or renumbering any nonconsecutive Part letter or section
16 number to read consecutively.

17 **SUMMARY**

18 This amendment replaces the bill, which is a concept draft, with a resolve that
19 establishes a procedure for energy rate relief payments to medium commercial customers
20 of an investor-owned transmission and distribution utility with electricity usage in February
21 2022 of at least 1,000 kilowatt-hours. One-time payments of \$1,500, \$2,000 or \$3,000 are
22 provided depending upon the electricity usage of the eligible customer. The payments must
23 be made by October 30, 2022.
