Hi, my name is Stephanie Pelletier, I live in Fort Kent, Maine and I am a self-advocate. I oppose LD 3 because it's not right and they need to find a different fund to take from for the heating assistance. They should keep the money for HCBS Maine Care. I would like to see Waiver services blossom for other people and people with waiver services need to feel confident that they are respected. Thank You for listening.

Thank You,

Stephanie Pelletier
