hello

I am all for the heating assistance (and the federal funds)

I am unhappy with the \$450 checks going to too many people. Should be targeted to those most in need. I prefer the income limits proposed later in a compromise (I think 50K for individuals and \$75 for married couples?) FYI\_I would be getting a check under the bill recently defeated, but NOT in the newer version proposed as compromise above – and I think that is correct!! There are others far needier than myself! This should be truly needs-based! And immediate!
