Bangor  
LD 3

My name is Rev. Dr. Jacquelyn Brannen and I serve as the District Superintendent of the New England Conference of the United Methodist Church. As followers of Christ, we have been taught to love our neighbor as ourselves. I can think of no need more basic than safe housing and for those who find themselves unable to access that, I think it is the duty and privilege for those of us who have all we need, to provide for them. If the pandemic has taught us anything, it is that hardship can come to anyone of us. It is by God's grace that many of us have our basic needs met this year. For those who do not, I hope that we fellow citizens are compelled to lend a hand. I know that society benefits and is raised to a higher level when our lowest citizens are raised up. Please help us all by supporting this bill.
