LD 164

I would like to express my strong support for LD 164: An Act to Fund the Lake Restoration and Protection Fund. As a board member of the Lake Wesserunsett Association and a seasonal resident of the lake I've developed a passion for doing what is necessary to protect Maine's lakes. With an ever-growing number of Maine's lakes being infected with algae blooms and milfoil, including several close to Lake Wesserunsett, it is imperative to pass LD 164.
