

Pete Harring
Washington
LD 34

Senator Craig Hickman, Representative Laura Supica and distinguished members of the Committee on Veterans and Legal Affairs,

My name is Pete Harring from Washington, ME. I am not a lobbyist or a member of any special interests group. I am an American citizen and a resident here in the Great State of Maine. In order to help insure integrity with our voting process and help remove doubt from the minds of the People. I come to you today to ask that you vote "Ought to Pass" on LD 34 "An Act to Require a Person to Show Photographic Identification for the Purpose of Voting". Particularly in today's world, where a picture ID is required to cash a check, start a new job, or even get vaccinated for Covid, I can not think of a single reasonable reason why an individual casting a vote should not be required to submit a Picture ID.

Thank you for your time, and I respectfully ask that you vote

"Ought to Pass."

May you all have a Blessed day.

Pete Harring
