Testimony of (Manuel), King Middle School  
In Support of LD 156

#### INTRODUCTION

Senator Rafferty, Representative Brennan and esteemed members of the Joint Standing Committee on Education and Cultural Affairs. My name is (Manuel). I am a resident of (portland) and a grade 7 student at King Middle School.

Today, I'm submitting testimony in support of LD 156, "An Act to Require Outdoor Recess Time For Students From Grade 6 To Grade 8".

#### SECTION 1

This bill is important because kids need to have fun. And staying inside all day is not fun and not energizing

#### SECTION 2

Maine kids should have time to go outside as a break because me as a kid I can not stay inside doing work all day with no break and I believe that kids should have some rest from all the thinking

#### CONCLUSION

I want the committee to support this bill because it will be really fun and energizing. Thanks for listening to what i have to say
