

Elizabeth Stone
Community Spay-Neuter Clinic
LD 595

My name is Dr. Elizabeth Stone. I own The Community Spay-Neuter Clinic in Topsham. I am one of the few mobile spay/neuter veterinarians in Maine. I wish to comment on the "Veterinarian Participation" section in the proposed rules for the Help Fix ME program.

I am opposed to the proposed prepayment system. It think it is paperwork heavy and bureaucratic. I would prefer to just receive batches of vouchers to use as needed.
