

To Whom it may concern,

My name is Jonathan B. Stevens, MDOC #168644.

I am in full support of a parole system for Maine.

I have been incarcerated in Maine for nearly 3 years.

I am sorry for the crime I committed and for the people's lives that were affected by my crime.

My path of Atonement and Treatment began for me before I convicted. I know what I need is

treatment and education for my rehabilitation. I know my Incarceration costs the State and Tax payers a

lot of Money. I have a safe place to live and a community that has the treatment options I need.

I believe parole would be much better for me

and others like me. Maine needs to Re-Instate

Parole As soon as possible. The Tools are out

there to help my Re-Habilitation. Thank You.

Respectfully,

Jonathan B. Stevens
