

My name is Ryan Bradstreet MDOC # 86655 currently Reside at the
Maine State Prison. I feel Maine should bring back Parole because
The Inmates that have 15+ years to do should have the
chance to have a second chance to society. every other
state has Parole so why not Maine. So if I was to
vote for parole you have my vote so INMates can
have another chance in life and to give back to the
society. Thank you!
