

To Whom It MAY concern

I Think Maine should Reinstate It's Parole Program For those who qualify For it. This would give These Men and Women a Chance to Prove themselves Ready For Reentry to the outside world and Be a part of Society as a citizen once again in their lives.

I Feel the Parole Program is a fundamental tool For Rehabilitated inmates to get on with their lives and get back on the right track to improve themselves, also to Rejoin their lives with Families and loved ones I Hope this letter Helps in making the choice in Reinstating Maines Parole Program, Please give this a Lot of thought Before Making Your Decisions as there are a Lot of inmates who Deserve a chance like this.

Thank you For ~~the~~
