I truly believe that parole is very important. There is definitely inmates/residents which have learned their lesson. I'm not saying everyone deserves parole, but I do believe some people in prison deserve another chance at a new life. Some people want change and are very capable of becoming a law abiding citizen, valuable to the community.

Jeremy Hinton
(168602)

A stylized handwritten signature in black ink, appearing to read 'Jeremy Hinton', with a long horizontal flourish extending to the right.
