

Jeffrey Fischer  
Bowdoinham  
LD 178

I would like to add my voice to the many who support LD 178, because we want to bring back parole to the Maine criminal justice system. Evidence suggests that a supervised release from prison helps an incarcerated person make a better transition to public life, something which not only would help that individual but the community as well. It is simply the right thing to do; it's high time we act on it.
