

my name is Jeffery R George
B I am 41 and I have 3 kids
of my own. Jeffery R. George #109176
Yes I know with all my heart
I deserve a prison sentence
for what I did to my daughter.
But I also believe that with
self help & life changing classes,
(we) most people that earns it
& deserve's another chance.
I like many others pray for
another chance with a new life.
many of us are working hard on
self improving courses & mental
maturing classes really do work
very hard on bettering our selves
truelly deserve another chance at
a new life.
we truelly hope & pray for another
chance at a new life and a
better life on outside with our
family.

Thank You For Your Time.
