LD 199

My name is Sandra Katz and I live in Saco Maine. I am writing in support of LD#199, an Act to Improve the Health of Maine Residents by Removing Exclusions to the MaineCare Program.

I feel health insurance is crucial to the health of the state (and the country as a whole). People who are sick and unable to get help are generally unable to work and also potential pass their illness along to others. In the long run it costs more if we do not take care of people.

Just because someone is a recent asylum seeker (an immigrant) is no reason to exclude them.

Thank you for your time.
