LD 928

Hello Representative Rebecca J. Millett, my name is Tilsley Kelly and I am your constituent who lives in Cape Elizabeth. I'm calling in support of the Pine Tree Amendment, LD 928, which ensures that all Mainers have the right to a clean and healthy environment for generations to come. I care about the PTA because I want my kids to grow up in a world where we are doing everything we can create a healthy environment, so they do not have to worry. I am concerned about water pollution because swimming in the ocean and in lakes in Maine is a big part of my life. Thank you for your time and I hope you support LD 928.
