

Derek Poulin

LD 178

Dear Senator Beebe-Center, Representative Salisbury, and members of the Criminal Justice and Public Safety Committee,

My name is Derek Poulin and I am writing in support of LD 178.

I would like to share a few words with you on paper. I've had a hard time dealing with the sentence the State gave me 10 years ago. Life. A life sentence. 10 years has been a long time for me, and even longer time for me to think about what had happened throughout it. I have done a lot of growing up. I'm not the same person as I was, and it took about this amount of time to show it. Life has a lot of crazy experiences in it, for me and for everyone. I would love a chance to live my life again, and see my family. I would love to be free.

Thank you for reading this letter. God bless.
