LD 566

My name is Daria Cullen. I reside in York Maine. I'm writing to you today in full support of LD 566 – An Act to Provide Funding for Sexual Assault Services. This bill will ensure Maine has the best quality services and resources available to survivors of sexual violence. It will help to keep advocates sustained in this complex, extremely difficult, and critical work by offering increased wages for advocates and funding for allied organizations. Advocates are on the frontlines showing up for survivors every day - we need to do the same. I ask that you please vote in favor of LD 566 and I'm hopeful for a unanimous out to pass. Thank you.
