Calista Cross

LD 1122

Senator Chipman, Representative Williams, Honorable members of the transportation comittee,
My name is Calista Cross.I have lived in Cornish for 80yrs.I am here to speak in support of LD1122 to name the three bridges in the town of Cornish.

I have been working with DOT as first to find out what I need to do naming the bridges.I was told they were state owned bridges, so I looked & researched possibilities on the names.

A great example is the VETERANS MEMORIAL BRIDGE in Steep Falls, in which I would like to see here in Cornish Bridges.

Cornish has grown so as I have watched the changes over the last 80 years.This is something I & many others would like to see added to this town to make it more of a historic town then it already is..

What a better way to add history to these lovely bridges & make them a bigger part of this town & all surrounding towns.for our VETERANS, 911 HERO;S, HARRIET TUBMAN..all saving lives.

With all that said.
1. Bridge ,,VETERANS MEMORIAL BRIDGE "would be to honor in memory of all VETERANS who have served & still do with a POW & AMERICAN FLAGS on each side of the bridge posting.

2 bridge,,911 MEMORIAL BRIDGE" as a reminder we will never forget our hero's on that day. A 911 flag would be placed on each side of the bridge in their honor.

3 bridge,,"HARRIET TUBMAN MEMORIAL BRIDGE"..with a HARRIET TUBMAN FLAG on each side of the bridge in her honor for bringing slaves to FREEDOM.

This is history,,this is good for our kids to learn & remember as years go by.

This is going to brighten up our town of Cornish & all towns around us that are neighbors. Tourist will come in & see how much dedication & appreciation folks all around have given.

PLease give this a chance, if you it in your hearts.

I want to thanks TROY JACKSON & LILYWILSON for all your help getting me here.

I do hope this bill passes to make a better historic community for Cornish & all towns who supported this bill & look forward to the new historic look.

Thank you Calista CRoss Cornish
