

Committee Chairs, Members, and All,

LD 51 - AN ACT TO RESTORE RELIGIOUS & PHILOSOPHICAL VACCINE EXEMPTIONS

"OUGHT TO PASS"

***DISCRIMINATION** = " The unjust or prejudicial treatment of different catagories of people.."

***Types of DISCRIMINATION (via CDC.gov) include Religion, Reprisal/Retaliation, Age, etc.**

***DISCRIMINATION IS ILLEGAL AND IMMORAL.**

***MEDICAL PRIVACY/CONFIDENTIALITY** = "...the prinicpal of keeping secure & secret from others....it is the right of every patient even after death."

***Places of employment, schools, etc. should have NO access to medical records.**

***Medical records include vaccination records.**

When LD 798 was brought forth, then accepted, it negatively impacted my trust & faith in the authenticity of our laws, our government and our medical, educational, & judicial systems.

LD 798 has been a disrespect of law and of people.

LD 798 has detrimentally impacted many families. Due to Privacy/Confidentiality it is not my place to share their personal stories. I hope they choose to.

LD 51 is an opportunity to begin to restore trust and faith.

Leadership requires Personal Responsibility, Truth, Transparency, Respect, & Accountability.

I thank you for your time.

In Support of Equality & Medical Freedom without Discrimination,
