

Heather Sprague
Cushing
LD 60

Dear distinguished members of the committee, Representative Salisbury and Senator Beebe-Center,

My name is Heather Sprague I live in Cushing and was born in Maine. I write today in opposition to bill LD60 an act to require a 72hr waiting period after the sale of a firearm. I ask that you oppose this bill because it infringes on our second amendment right to defend ourselves from a tyrannical government that seeks to control the people against their will. I am very concerned that we the people will be left defenseless against such a government. We already have strict gun laws and I remind the members that criminals do not follow nor care about gun laws. I ask that you vote ought not pass and stop infringing on our God given rights. Thank you for your time.
