Dear Committee

First, on behalf on my family and millions others, I thank you for respectfully adhering to our first amendment rights guaranteed as citizens of the United States of America by her great Constitution and reinforced on a state level by the fourteenth amendment without prejudice.

When 16 years ago we purchased the land and had built a beautiful home in the wonderful state of Maine we thought it will be a great place to raise a family, work and study. Unfortunately, all our dreams were crushed by tyrannical removal of religious and philosophical exemptions. The tragedy of this really hit hard in the past 3 years when thousands of people lost their jobs, thousands of kids were locked out of schools even online ones! Why tax-payer funded institutions such as schools don't provide equal access to education to all tax-payers and their children without discrimination? Why access to basic civil services, right to work denied trough discrimination?

It seems like we rolled back many decades to the times of segregation when horrific civil discriminations of African Americans and Native Americans took place or the time of WW2 when Jewish people were segregated on pretext of disease spreaders and later been subjected to horrendous experimentations in camps. Only now unvaccinated people are new Rosa Parks, African Americans, Native Americans and Jews! This should never happen in free democratic society with liberty and justice for all!

In the light of events of the past 3 years we saw vividly how information got suppressed, manipulated, censored, law-abiding taxpaying citizens and residents got persecuted for simply sharing their experience, pointing out to valid scientific researches and raising questions. But, quote: "Asking questions is at the heart of science. Science is not an institution and not an authority. Science is never settled. It is forever evolving through conjecture and criticism. Questions form the basis of all scientific inquiry and scientific progress. Without challenging existing concepts – usually held by a majority – there is no new knowledge creation. Censoring dissenting voices eliminates the mechanism of error correction and pushes humanity back into the dark ages."- by Abir Ballan, MPH, <https://www.pandata.org/question-everything/> Because of the tremendous suppression of information concerning vaccines, due to powerful lobbying outreach of profit gaining parties, many people, including medical professionals, don't even know in how many ways the purity of their God given bodies, it's intricate and wonderful design, their believes concerning sacredness of all human life even in a womb, are utterly violated in this quick procedure.

The very basic commands, that are found in Exodus 20:1, Deuteronomy 5:15, which instructs us not to murder and 1 Corinthians 6:19-20 and 10:3, that instruct us to regard our bodies as temples of God's Holy Spirit and that we are to honor God, our Creator by not defiling them, are utterly violated by the use of foreign cells, cellular debris, protein, DNA from willfully aborted human children as well as the presence of neurotoxins, hazardous substances, attenuated viruses, portions of HIV virus, animal cells, foreign DNA, albumin from human blood, carcinogens, chemical wastes found in Adenovirus, Polio, Dtap/Polio/HiB Combo, Hep A, Hep A/Hep B Combo, MMR, MMRV, Pro Quad, Rabies, Varicella, Influenza, Shingles, Covid-19 and all others vaccines. Even though we are recognized by God as life human beings from the point of conception human fetuses are been used in the past and present vaccine researches, also the following ingredients were derived from no fewer than 107 human fetuses: PER C6, HEK293, WI-38 (RA 27/3), WI-1, WI-2, WI-3, WI-4, WI-5, WI-6, WI-7, WI-8, WI-9, WI-10, WI-11, WI-12, WI-13, WI-14, WI-15, WI-16, WI-17, WI-18, WI-19, WI-20, WI-21, WI-22, WI-23, WI-24, WI-25, WI-26, WI-27, WI-38, WI-44, and MCR-5. According to Exodus 20:13, Leviticus 18:21 & 20:2-5, Deuteronomy 5:13, 12:30-32, 18:10, 2 Kings 16:3, and Psalm 106:38, all child sacrifice is condemned with no exception clauses allowing for the greater or public good.

Also Genesis 9:4, Leviticus 17:10-11, 17:14, Deuteronomy 12:23, Acts 15:20 and 29 informs us that blood represents the life force of human and animal species and that human blood and DNA was to be kept pure under all circumstances. Therefore, CRISP-technology DNA modifications or any other technology altering human DNA either permanently or temporarily in newly developed and promoted mRNA vaccines are in direct violation of these instructions.

All life saving knowledge, like basic hygiene, sewer management, food safe management, separations of blood, keeping sick separately from healthy and many more, were already given to us in Holy Scriptures (Leviticus, Deuteronomy) by our Creator, nevertheless, only centuries later were discovered and confirmed of its benefits by human science. Only now scientists are getting a glimpse of how complex our DNA is, how sophisticated our immunity is, what functions and uses organs that thought to be unnecessary really have and list goes on.

Time and time again, just in the last 100 years, many things/procedures were promoted as beneficial and useful but were proven to be very harmful later. For example: lead paint, asbestos, radioactive drinks, paints, tobacco, X-rays for shoe stores use, bloodletting, lobotomy, LSD-therapy, tape worm therapy for weight loss, cocaine included in medicine and drinks, mercury, EMF radiation, various opioids and many more chemicals/substances in agricultural/pharmaceutical/household use. The trust that people put in these products/procedures/therapies and those promoting it, had been broken again and again, many lives were irreversibly damaged or even lost.

Nevertheless, if person chooses to trust the stated efficacy/benefits of that product/procedure, particularly vaccines, it is their choice and they don't need to worry about those who didn't extend such trust.

We are seeing a drastic increase in many chronic illnesses, learning disabilities, mental, neurological, cardiovascular problems, cancers and many more issues in our children and adults. One major changing factor between generations is medical interference in form of vaccines. This became especially apparent within the past 3 years when untested product was forced onto millions of people without any liability from manufactures, any recourse or responsibility by any party. Keep in mind, that pharmaceutical industry is not liable for any damage caused by any vaccine; new or old; they are immune to any litigation against them. So, a major factor, which must push manufacturer to ensure safety and benefits of their product, is not there! How many drugs/products get recalled and filed law suits against every year, because, eventually, they were found to cause greater harm than benefits and billions had been paid in damages.

Can schools/work places/state governments afford to get sued over mandated by them procedures (such as vaccines) that CAN cause death or severe suffering either physical or spiritual? Should anything that can potentially cause death or permanent debilitating damage or anguish of individual (physical or spiritual) be institutionally mandated rather than personally voluntarily chosen?

Why we have debates about school restrooms used by this or that gender and "suffering" that it causing to individuals with gender dysphoria but completely ignoring suffering and real damage that been imposed by enforcement of medical interference into individuals bodies by the institutions that all citizens as tax payers must have open access to without any prejudice or discrimination? Why tax-payer funded institutions such as schools don't provide equal access to education to all tax-payers and their children without discrimination?

All that people need are to be able to continue to choose for themselves and not to be persecuted, singled out, cut out from services (that they are actually funding) for their choice. If it is true for a choice of sexual orientation, which is, by the way, by our Creator allowed but strongly warned against any relations aside a marriage between man and woman, why the freedom to choose what to accept into my own or my children God given bodies, is been under attack and question? God had given to us free will and not taken it back in spite of any wrong choices, additionally, when it comes to vaccines, nobody else, but person accepting it and their immediate family, will be burdened 24/7 with any adverse consequences or spiritual anguish as a result,

therefore, nobody should force this choice and retaliate for it. Stop discrimination and tyranny reinstate all exemptions! Make America land of Freedom again with Liberty and Justice for All!

Please,
